

The Amateur Radio Emergency Service (ARES)
and the
Radio Amateur Civil Emergency Service
(RACES)

is an all volunteer Amateur Radio organization operating in conjunction with the Virginia Department of Emergency Management to provide back-up communications for the Commonwealth of Virginia and the various counties therein.

RACES operators in New Kent County are certified, trained and qualified to operate at the NK County EOC complex and shelter locations in the event of primary and secondary communications failures.

Personal mobile units are also used when needed.
